Spectacular. Enormous. Majestic, and awe-inspiring. Enchanting beauty as far as the eye can see, and incredible wildlife found nowhere else on Earth. Adjectives fall short when trying to describe Antarctica and The Arctic. The best way to fully absorb and appreciate the surreal wonders of these remote polar landscapes is by ship... and the best cruise line to escort you there is Silversea.

Our 2022 – 2024 Polar Collection offers a variety of 5- to 24-day expedition itineraries exploring destinations from the Antarctic Peninsula, South Georgia and the Falkland Islands to Svalbard, Iceland, Greenland, and the Canadian Arctic, as well as rare journeys through the Northwest Passage and Russian Far East. Take a moment to peruse the pages that follow and know that whichever voyage appeals to your wanderlust, you'll enjoy extraordinary value with our Door-to-Door All-Inclusive or Port-to-Port All-Inclusive fares, and peace of mind with Silversea's Covid-19 Protection:

- Our **Door-to-Door All-Inclusive** fares offer a **15% refundable reduced deposit** up to 75 days prior to sailing and include everything from international flights and all airport/hotel/ship transfers – including new private executive transfers from home – as well as pre- and post-cruise hotel nights.
- **Port-to-Port All-Inclusive** fares are ideal for travellers who prefer to make pre- and post-travel arrangements independently – including air, hotel, and transfers – and represent an average savings up to 35% when compared to Door-to-Door fares, without air*.
- Silversea's **Covid-19 Protection** allows you to convert your booking into a 100% Future Cruise Credit (FCC) or receive a 100% refund for the total booking amount in the event authorities in your country of residence prohibit travel, or should you or member of your travelling party test positive for Covid-19 within 30 days of embarkation.

Reserve your suite by 31 May 2022 to ensure the best savings and accommodations (please refer to page 8 for fare details); **fares will increase on 1 June 2022.**

Come discover the authentic beauty of Antarctica and The Arctic with Silversea. It will be our pleasure to welcome you aboard.

JOURNEY TO THE REALMS OF WONDER

Once-in-a-lifetime polar adventures

Make 2022, 2023 or 2024 the year you answer the call of the wild and embark on an all-inclusive expedition with Silversea. Voyages to the farthest realms on Earth – from Antarctica, South Georgia, and the Falkland Islands to Svalbard, Iceland, and Greenland – are hosted by expert Expedition Teams with decades of experience aboard all-suite ships designed for polar exploration and renowned for their extraordinary comfort. Now more than ever, this combination of authentic discovery and bespoke luxury extends a tempting invitation to go now... to touch, feel, see, and even taste the rare spectacle of places few have ever experienced.

Silversea's expansive collection of polar itineraries offers incredible choices for every type of adventurer – from a five-day Antarctica expedition enjoyed with a direct flight from Ushuaia to King George Island in the South Shetland Islands to a 24-day transit of the fabled Northwest Passage navigating the Canadian High Arctic. Go in search of Polar Bears on a circumnavigation of Svalbard. Discover Iceland's geothermal wonders and Greenland's Viking history. See incredible birdlife in the Falklands and humongous penguin colonies on South Georgia. And in every destination, witness the awe inspiring beauty of magnificent glaciers, towering icebergs, dramatic fjords, and incredible wildlife.

Now is the time to go. **#ThisIsSilversea**

THE SILVERSEA DIFFERENCE

Excellence from Ship to Shore

Wilderness and luxury enjoyed in a *Silver Cloud Grand Suite*

From the moment you are welcomed aboard a Silversea Expedition ship to the final champagne toast goodbye, your journey seamlessly unfolds with quiet perfection that is both unseen and flawless, leaving you free to immerse yourself in the rare discovery and wonder of your once-in-a-lifetime adventure.

ALL SUITE ACCOMMODATION

Enjoy one of the highest space-per-guest ratios at sea and the pleasures of finely appointed suites featuring ocean views and indulgent amenities.

PERSONALISED SERVICE

Let our butlers indulge you – seeing to everything from unpacking luggage and serving breakfast on your private veranda, to handling laundry requests and shining your shoes before dinner.

DESIGNED FOR DISCOVERY

The small size of our all-suite expedition ships – hosting just 144 to 274 guests – allows us to sail into the heart of polar regions where larger ships simply cannot go.

INCLUDED SHORE EXCURSIONS

Zodiac landings, kayaking adventures, and shore excursions are included on all Expedition voyages and, beginning Summer 2022, on our Classic voyages as well – one per port, per day from a curated selection.

EXPERIENCE & EXPERTISE

Since 2008, Silversea has been exploring the world's most extreme polar regions with expedition expertise unmatched amongst any luxury line. Not only are our ships ideally designed for intimate explorations of these remote lands, but our established relationships in even the most far-flung destinations – together with our experienced Expedition Team – means we can show you the secrets of Antarctica and the Arctic with uncommon insight.

INSIDER INSIGHTS & IMMERSIVE DISCOVERIES

Step away from the shallow and commonplace, and plunge with us into the depth and breadth of each destination. Regardless of where in the world you may travel with us, you'll enjoy privileged access to sites both renowned and undiscovered. Thanks to our curated shore excursion programme of expert-led, small-group outings, you'll feel like a local, everywhere.

DIVERSE ITINERARIES

Whether your wanderlust calls you south to Antarctica or north to the Arctic, Silversea offers a wide variety of itineraries catering to every schedule and inclination for adventure. There are immersive voyages dedicated to a singular country or region – such as a circumnavigation of Svalbard or a deep-dive into the Antarctic Peninsula – and others that combine the multiple destinations showcasing the best of each. On several itineraries, pre- and post-cruise options allow for even deeper discovery, too.

YOUR EXPEDITION TEAM

Expertise and experience on every voyage

A Zodiac landing in Bellsund, Svalbard

We've assembled a top-notch team of naturalists, scientists, and other experts to help you explore the hidden secrets of the polar regions. Silversea Expeditions has one of the highest expedition personnel-to-guest ratios in the entire expedition cruising industry, meaning every voyage features from 11 to 28 qualified specialists ready to create enriching, personalised experiences. All excursions are included and hosted by our Expedition Team members, so you are encouraged to attend as many of our daily "Recap & Briefing" lectures as you like. These uniquely experienced and talented professionals are chosen for their passion and dedication to their specialised field, as well as for their openness, friendliness, and genuine enthusiasm.

ITINERARY-SPECIFIC EXPERTISE

Curated specifically for each itinerary, Expedition Team members range from biologists and ornithologists to geologists, historians, and photographers. They make sure every adventure you go on is thoroughly taken care of, so your experience is always something to post online before the day is over. Whether you're looking for the perfect exposure setting to capture your shot, wanting to know the name of the bird staring at you from a rocky outcrop, or curious about the history of a local area, someone is always nearby to provide answers and insight.

As part of Silversea Expeditions, I've visited more than my share of wild, remote places. But the Arctic, with its vast, silent wilderness and awe-inspiring landscapes, keeps me coming back for more every time...

GROUP HIKES

Get up close and personal with the stunning landscapes and teeming wildlife of the polar regions on expert-led hiking adventures from the Falkland Islands to Svalbard and beyond. What better way to truly discover the diversity of flora and fauna found nowhere else on Earth.

Kayaking the Magdalenefjorden, Svalbard

ACTIVE KAYAKING

Under the guidance of certified kayak instructors, take charge of your discovery on a kayaking adventure amongst towering icebergs and into dramatic fjords. Imagine floating alongside an immense glacier in total silence, or having a curious seal glide beside you in the water.

Conversational and insightful lectures, Explorer Lounge

ADVANCED LECTURES

Understanding the unique aspects of each destination - its wildlife, geology, culture, and more - is an inherent part of your expedition experience. Our experts host conversational lectures in advance of each port call or landing site ensuring you are well prepared for the adventure.

Please note: When travelling in remote regions, all activities are dependent on tides, winds, weather, and ice conditions.

THE SILVERSEA WAY

At Silversea, we are committed to making every aspect of your journey the best it can possibly be, enhancing your choices with two brand-new fare options:

DOOR-TO-DOOR ALL-INCLUSIVE

15% REDUCED DEPOSIT, REFUNDABLE. FARES WILL INCREASE 1 JUNE 2022

From international flights and all airport/hotel/ship transfers, including new private executive transfers from home, to pre- and post-cruise hotel nights, shore excursions and more, this truly "door to door" option ensures seamless travels and complete peace of mind knowing that you are in Silversea's care every moment of your journey.

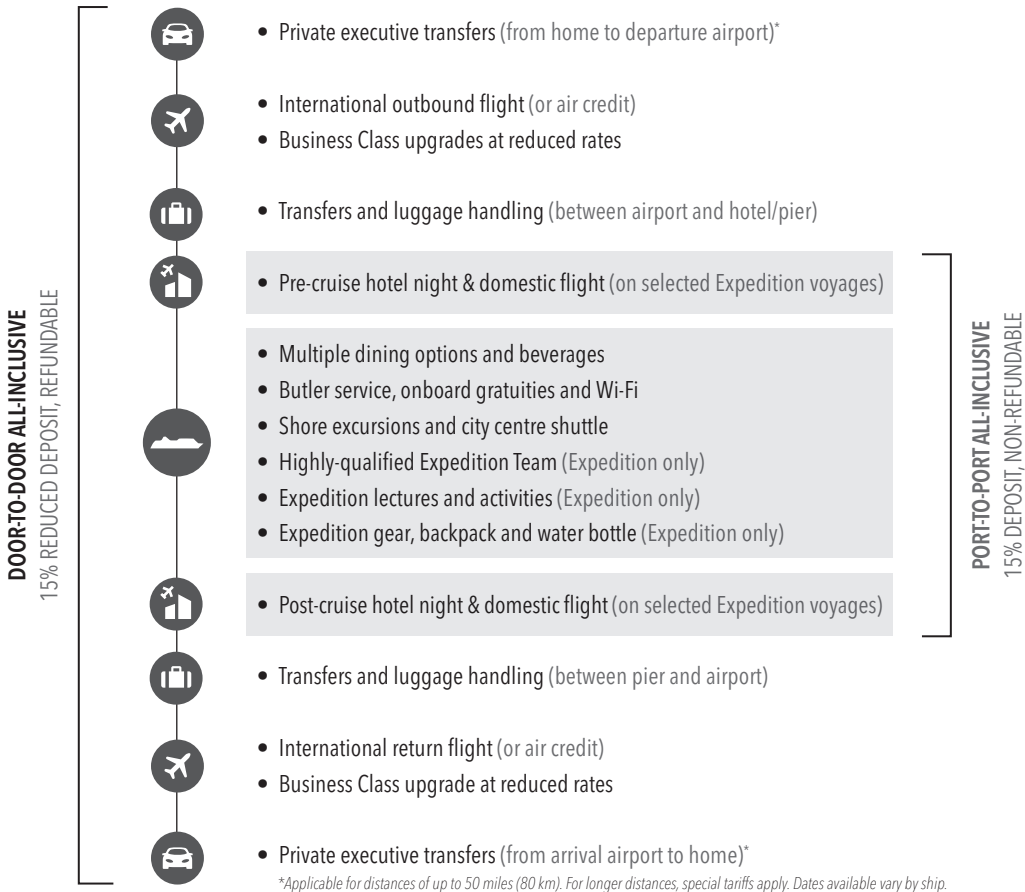

PORT-TO-PORT ALL-INCLUSIVE

SAVE UP TO 35% ON SELECTED VOYAGES EXPIRES 31 MAY 2022

Select itineraries feature a non-refundable deposit. Port-to-Port fare option is appealing to those who prefer to make their pre- and post-cruise travel arrangements independently. These fares offer flexibility without sacrificing luxury as you'll enjoy all of Silversea's inclusive amenities and services once onboard. Save up to 35% when compared to Door-to-Door fares, without air*.

*Comparison done with a Door-to-Door non-use air credit.

ANTARCTICA

Few adventures are able to ignite the imagination as much as an expedition to the vast White Continent and the wildly remote islands that dot the Southern Ocean. From the Antarctic Peninsula and the South Shetland Islands to South Georgia and the Falkland Islands, this extreme wilderness enchants with majestic beauty. Whether your wanderlust calls you to cross the Drake Passage or fly directly to King George Island, Silversea has the perfect expedition cruise for you.

REGIONAL HIGHLIGHTS

- Prepare for 1-2 landings per day on every expedition, regardless of itinerary, weather permitting
- Consider a 10- or 12-day expedition to the Antarctic Peninsula, or a more immersive journey of 14, 15, 18, or 20 days exploring the Peninsula, South Georgia, and the Falkland Islands
- Cruise past fabled Cape Horn
- Journey beyond the legendary Antarctic Circle
- Experience up-close encounters with extraordinary wildlife in the company of our expert Expedition Team

PRE & POST LAND ADVENTURES

EL CALAFATE GLACIERS

5 days / 4 nights from Buenos Aires

Savour a day and overnight at leisure in Buenos Aires before flying to El Calafate for 3 days of peak Patagonian wonders. Ascend Mount Frias by 4x4 for astounding views of Argentino Lake and the iconic granite towers of Torres del Paine. Visit Perito Moreno, the world's only glacier still actually growing. Experience the Curve of Sighs overlook and ramble the catwalks along the glacier itself. Fly on to Ushuaia for a day and night of free-range exploration before being welcomed aboard your Silversea ship.

IGUAZU FALLS

5 days / 4 nights from Buenos Aires

Enjoy Buenos Aires for a day and night before a morning flight to Iguazu – and one of the planet's most iconic showstoppers. Experience Iguazu Falls from the Argentina side, their majesty highlighted by a visit to Devil's Throat viewpoint where the river roars down some 260 feet, spinning off rainbows. The next day, experience the Falls from the Brazilian side – ascending by glass elevator to a high observation deck and boardwalk. Return to Buenos Aires for an overnight before flying on to Ushuaia, where your Silversea ship awaits.

ANTARCTICA BOUND? 11 GREAT TIPS TO KNOW BEFORE YOU GO

by Veronica Stoddart

Antarctica has long stirred the imagination of explorers and adventurers who risked their lives to forge a path into the unknown. Shackleton. Scott. Amundsen. Their names recall their daring exploits on the most remote and inhospitable continent in the world.

Two centuries after its discovery in 1820, the White Continent remains almost as mysterious as during the days of its earliest exploration. And therein lies its appeal. This desolate, frozen landmass – the coldest, driest and windiest continent on earth – beckons as the ultimate travel destination.

HOW TO CHOOSE YOUR CRUISE: ANTARCTICA

by Veronica Stoddart

My cruise to Antarctica last year turned out to be one of the most life-changing – and life-affirming – trips of my life, filled with pinch-me moments.

Here's why.

It's a land of extremes and superlatives as the coldest, driest, and windiest continent on Earth with the highest average elevation of all the continents. Everything in Antarctica is mind-blowingly big and dramatic. It holds 90 percent of the world's ice and 70 percent of the fresh water. About 98 percent of its surface is covered in ice, more than a mile thick. It's the least densely populated continent by far, with just a few thousand residents scattered at research stations.

BEHIND THE LENS: VISITING PORT LOCKROY, ANTARCTICA'S UNEXPECTED HIDDEN TREASURE

by Lorna Dockerill

Antarctica brings to mind scenes of endless ink blue ocean and an ice sheet that spans as far as the eye can see. So the natural harbour of Port Lockroy, a former military base and research station which is home to the world's most isolated post office, is an unexpected treasure to explore.

Expedition filmmaker Ross Vernon McDonald filmed the history-rich location during a voyage aboard Silversea's *Silver Explorer*, his genuine awe for the place evident as a first time visitor to the hostile environment that is Antarctica.

"It was unreal," says Ross. "It's like another planet and not like anything else I've ever seen. It just feels absolutely colossal. Being on the Antarctic Peninsula and on this tiny section of the entire continent where there is basically nothing except snow and mountains was just otherworldly."

A snapshot of history in the most remote location on Earth

What fascinated Ross about this unique stop-off was the remnants of human exploration at Port Lockroy.

"It was really interesting to be in this place which has changed hands over the years from different industries. It still has old rusty remains of where they used to tie up whaling ships and also going forward to the war time when it was a British research station. It's really beautiful how they've kept areas of it," Ross says.

"It's got four or five different small buildings and two of them have been kept as they were. All the old technology has been preserved alongside their bunks and paintings that people did when they were out there on their own for months. It's so interesting to be able to see how they lived."

ANTARCTIC PENINSULA

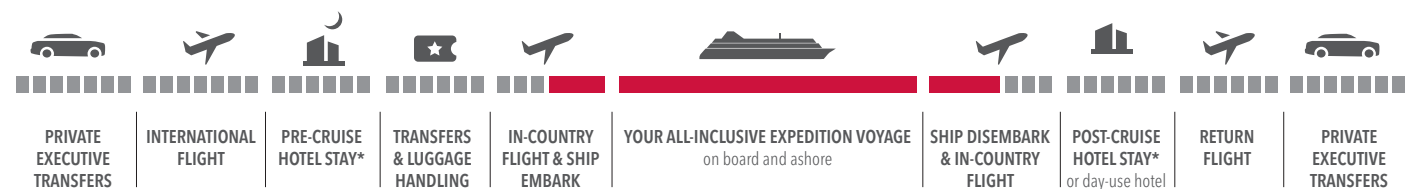

Zodiac cruising amidst Antarctica's ice arches

Stretching from the heart of the world's southernmost continent, the vast Antarctic Peninsula unfurls upwards towards South America – a mere 620 miles from Tierra del Fuego – like a finger beckoning the most adventurous to come discover the secrets of the world's least explored continent. Unseen by human eyes until 1820, today it is sprinkled with multi-national scientific research bases, there to study and understand its exceptional wildlife and unique landscape of mountains and glaciers, rocky cliffs, and glistening inlets. Embark on an expedition with Silversea to witness cathedral-sized icebergs and blue-hued glaciers; to explore shores where penguins breed and seals frolic, and waters where whales feed on krill.

REGIONAL HIGHLIGHTS

- Navigate the South Shetland Islands – just 75 miles north of the Peninsula – including Elephant Island, where Sir Ernest Shackleton and his Endurance crew miraculously survived a harsh winter
- Go in search of Chinstrap, Adelie, and Gentoo penguins; Elephant and Fur seals; and all kinds of petrels and terns, gulls and skuas
- Have your cameras ready to shoot iconic tabular icebergs (but know that even the best photo won't do it justice; the memory will have to live in your heart!)
- Enjoy 1-2 landings per day on every expedition, regardless of itinerary, weather permitting

ANTARCTIC PENINSULA, FALKLAND & SOUTH GEORGIA ISLANDS

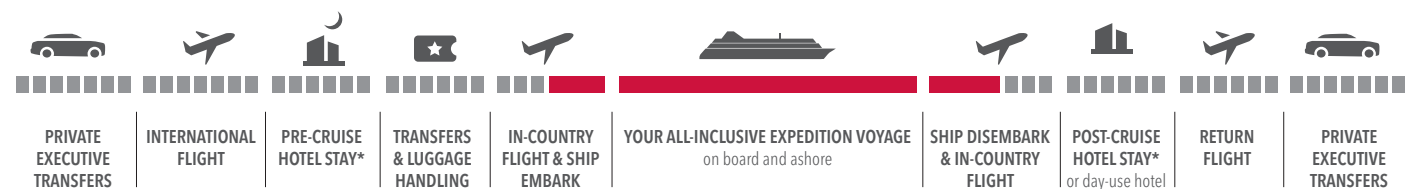

The Neck on Saunders Island in the Falklands; renowned for its birding

Embark on an immersive expedition of the Antarctic Peninsula, the South Shetland Islands and beyond, to explore the Falkland Islands (300 miles due east of Patagonia) and remote South Georgia. These journeys navigate the history-rich and intriguing beauty of the Falkland archipelago, where you'll see rugged, windswept terrain, cliff-lined coasts, and all manner of wildlife, from five different kinds of penguins to Orca whales, sea lions, and myriad seals. Spectacularly picturesque South Georgia is revered as the Serengeti of the Southern Ocean owing to its abundant wildlife; the one-time whaling outpost is home to glacier-clad coastlines and dramatic fjords, and is the final resting place of famed explorer Sir Ernest Shackleton.

REGIONAL HIGHLIGHTS

- Explore extraordinary birdlife of the Falkland's – 63 species breed here, including albatross, petrels, skuas, the Falkland Steamer Duck, and more
- Explore Port Stanley, a pioneer outpost and truly great wilderness destination of extraordinary scenery
- See thousands of King Penguins flock to a single beach, and the largest congregation of Antarctic Fur Seals; both in South Georgia
- Visit the memorial to Shackleton that stands over his final resting place on South Georgia
- Enjoy 1-2 landings per day on every expedition, regardless of itinerary, weather permitting

THE ARCTIC

Kissed by the midnight sun's ethereal warmth, the Arctic's brief summer thaw is a tempting invitation for the truly adventurous to journey northward – to the Arctic Circle and beyond to explore Svalbard, Iceland, Greenland, and the Canadian Arctic. Blanketed in uncompromised luxury aboard *Silver Cloud* or *Silver Wind*, you'll find our brand of Far North exploration far more accommodating than that which Ross, Amundsen, and Parry endured... yet no less exhilarating. That could mean scanning the horizon for Polar Bears, taking a Zodiac cruise to access a remote Inuit community, or kayaking glacial Arctic seas for extraordinary views of stunning landscapes.

Silversea's extensive explorations throughout this region range from a full circumnavigation of Svalbard to a rare transit of the fabled Northwest Passage, giving you extraordinary options for your Arctic adventures.

REGIONAL HIGHLIGHTS

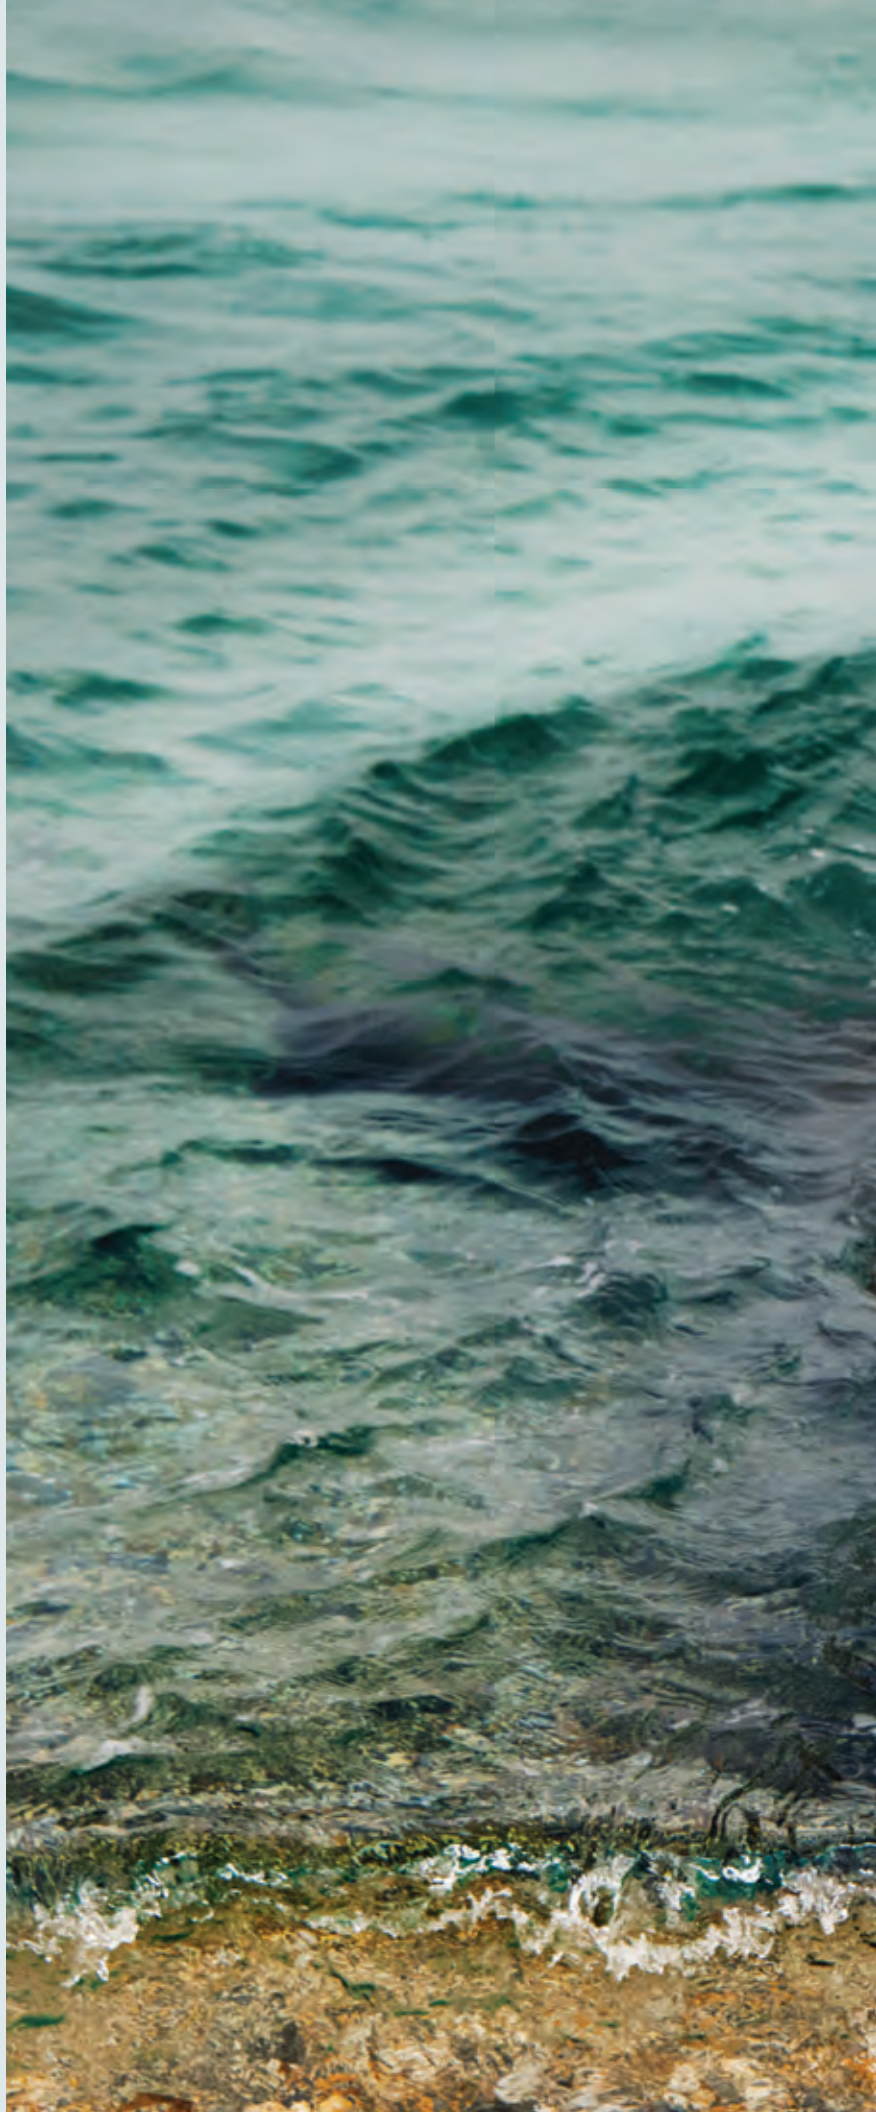

- Prepare for 1-2 landings per day on every expedition, regardless of itinerary, weather permitting
- Choose from a varied collection of itineraries, either country specific or a combination of two
- Explore South Greenland's dramatic Prince Christian Sound
- Cruise through famous skyscraper-sized icebergs in Ilulissat
- Kayak in the polar landscape of Svalbard
- Get closer by Zodiac to the seabird cliffs of Norway's Bear Island
- Go whale watching in Iceland's Skjálfandi Bay in search of humpbacks, seis and blues

PRE & POST LAND ADVENTURES

GOLDEN CIRCLE AND BLUE LAGOON

3 nights pre / 2 nights post cruise

Heading out from Reykjavik by comfortable ground transport, experience a multi-day immersion in Southwest Iceland's classic "Big Three" attractions – thundering Gullfoss Waterfall, the steamy phenom of Geysir Geothermal Area, and the mossy beauty of UNESCO-listed Thingvellir National Park. And, as if that array of natural wonders wasn't sufficiently impressive, add in a trip across the surreal lava landscape of Reykjanes Peninsula for a relaxing soak in the Blue Lagoon – a brilliantly azure geothermal spa renowned for its healing properties.

THE NORTHEAST PASSAGE, CAPTURED IN 10 EXTRAORDINARY IMAGES

by Matthew Scott

Few voyages, if any, are as formidable as the Northeast Passage. The iconic route weaves through the Arctic's most remote reaches and was taken by the famous explorers of yesteryear. Unpredictable weather and ice conditions, combined with extreme isolation, mean that charting this passage through the Arctic is a challenge, indeed.

For the first time in the cruise line's history, and with utmost respect for the natural environment and the creatures that dwell within, Silversea's guests conquered the Northeast Passage in 2019. Accompanied by a team of expedition experts, travelers journeyed over 5,000 NM from Nome to Tromsø.

10 Evocative Northwest Passage Images

Now, thanks to this pioneering voyage, we bring you the famed Northeast Passage in pictures. Retrace their steps on this once-in-a-lifetime experience through 10 spectacular images that capture 10 standout highlights.

Accompanying words from the expedition team's daily logs—recorded while on board *Silver Explorer*, throughout the journey—bring the expedition to life like never before and showcase Silversea's destination expertise.

10. Ice Cruising

"During the night, *Silver Explorer* had carried us north, towards the area that the sea ice charts we had been examining so closely throughout this voyage indicated would be covered with ice," begins Dr. Danae Sheehan, Ornithologist and member of Silversea's Expedition Team. "As always, our constant companion, the Russian icebreaker, traveled ahead of us, ensuring that our passage was a safe one. By the time we arose, the edge of this vast, frozen Arctic realm was visible ahead – the bows of the icebreaker ready to push its way through. For a while, before heading into the pack, we followed the edge of the Arctic ice northwards. The whole Expedition Team was out on deck, scanning the icy scene for any sign of the wildlife that makes its home here. We were in luck..."

9. Polar Bears

"...within a short time we had spotted two polar bears – a mother with her well-grown cub. Great 'white' bears that were more accurately a rich golden-yellow color, contrasting with the brilliant blue-white ice on which they walked.

HIDDEN DEPTH: ARCTIC ICE IN ALL ITS FORMS

by Karine Bengualid

Describing the mesmerizing qualities of Arctic ice is like trying to convey the beauty of a rainbow: Its magnificence must be perceived to be truly understood.

On a cruise in the Arctic Circle, you quickly develop an appreciation for the immense variety of ice formations, which make it one of the world's most dazzling natural wonders. Not only is every single ice formation distinct and strangely beautiful, but each tells a story from a certain point in history, whether recently formed or hundreds of years old. "The Inuit have dozens of words to describe snow and ice," says Dr. David Millar, a Glaciologist with the Arctic Institute of North America at the University of Calgary. "That's how varied the landscape is."

You're bound to develop a fascination with frozen water when in the Arctic: Its shape, its coloration, its variety, its role in the environment, and its continuously changing

form. Arctic ice is characterized by striking colors—ranging from porcelain white to powder blue—which is formed by its varying attributes and tell a story of its age.

The Shape of Frozen Water

From 'shards' to 'shelves,' many names are used to describe the Arctic's various formations of ice.

Long stretches of white ice, up to three meters thick, bob on the surface of the Arctic Ocean. This so-called sea ice, which originates in the ocean, is vastly different from that which forms on land. The smallest type is brash ice—usually the size of ice cubes or as big as your fist. Growlers, on the other hand, are a few meters in diameter and are named for the rumbling sound they emit.

ICELAND & SVALBARD

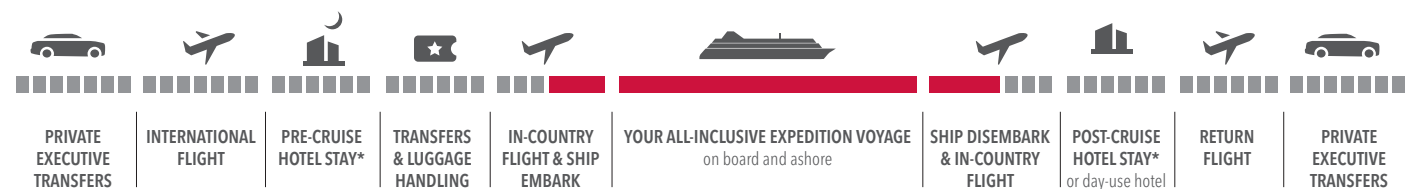

Reykjavik's Hallgrímskirkja is the largest church in Iceland

With its massive glaciers, pristine fjords, thundering waterfalls and geothermal springs, Iceland is truly a wonderland of breathtaking nature. Its stunning Westfjords are home to some of the country's most dramatic scenery and wildlife, including Vigur Island, where thousands of puffins nest in comical profusion, and Stykkishólmur, Iceland's first Blue Flag eco-label recipient and a European Destination of Excellence. Consider an itinerary that explores the "Land of Fire & Ice," as Iceland is known, with adventures in Svalbard, renowned as one of the best places in the Arctic to spot Polar Bears as well as walrus, birding cliffs, and a variety of seals.

REGIONAL HIGHLIGHTS

- Experience the geothermal baths at Lake Mývatn, and the surrounding hot springs, mud pots, and fumaroles
- Witness the thundering majesty of the Dýnjandi Waterfall from Isafjörður
- Explore Spitsbergen, Svalbard's largest island, to see spectacular glaciers, dramatic fjords, and important bird islands
- Enjoy 1-2 landings per day on every expedition, regardless of itinerary, weather permitting

SVALBARD

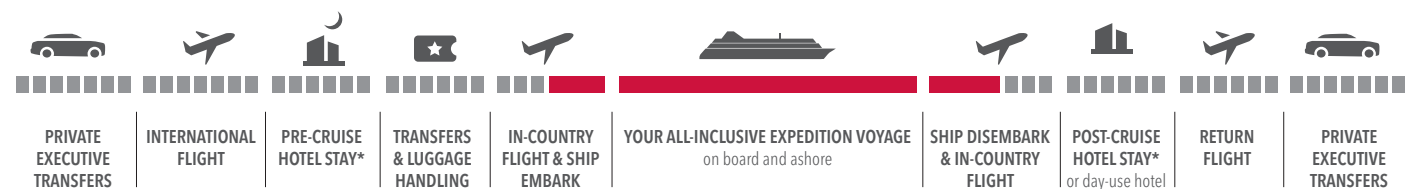

Chalet houses in Longyearbyen provide a colourful accent to Svalbard's white wilderness

Known for its rugged terrain of glaciers and frozen tundra (so cold that the Global Seed Vault is buried in permafrost 300 feet deep into the side of a mountain in Longyearbyen), Svalbard is the ultimate "Land of the Polar Bear." Situated in the High Arctic midway between Norway and the North Pole, this archipelago is relatively ice-free during summer, presenting rare opportunities to explore its dramatic landscape of magnificent fjords and towering cliffs home to millions of nesting birds. With 29 preserved natural areas, seven national parks, and six nature reserves, nearly all of Svalbard is protected; it is on Norway's tentative list for nomination as a UNESCO World Heritage site.

REGIONAL HIGHLIGHTS

- Explore Bear Island, the southernmost of Norway's Svalbard archipelago, where steep cliffs and sea stacks provide habitat for nesting guillemots, fulmars, puffins, and more
- Visit Svalbard's Jan Mayen, a small glacier-glad island between Norway and Greenland home to Mount Beeren, the world's northernmost volcano
- Enjoy 1-2 landings per day on every expedition, regardless of itinerary, weather permitting

GREENLAND & THE CANADIAN ARCTIC

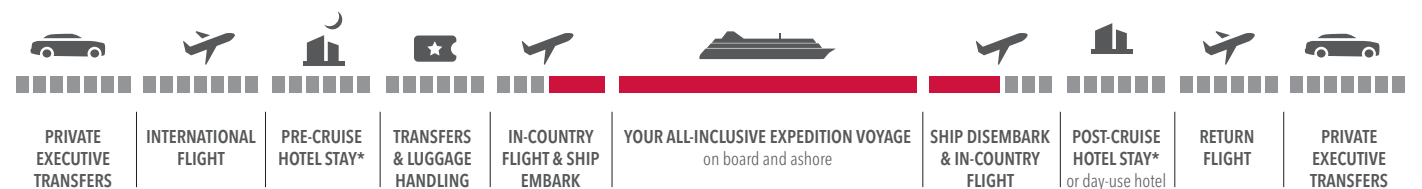

A surreal sunset over Ilulissat, Greenland

Travel the path of Leif Eriksson to explore the massive ice fields, lush green valleys, and Arctic tundra of Greenland. There are no roads here, only vast swaths of magnificent wilderness and some of Earth's most beautiful fjords. Tiny villages of colourfully painted cottages welcome visitors with a uniquely blended Inuit and Danish culture, whilst jaw-dropping sights await in Prince Christian Sound and the Evigheds Glacier. Journeying westward, the little-explored Canadian Arctic calls to the most curious of travellers, inviting you to explore Nunavut (Inuktitut for "our land"), Canada's newest, largest, and northernmost territory.

REGIONAL HIGHLIGHTS

- Explore Ilulissat, known for its Icefjord and huge glaciers in Disko Bay, and home to the Ilulissat Museum tracing the history of Greenland's native son, explorer Knud Rasmussen
- Enjoy a café latte in up-and-coming Sisimiut, where surrounding waters are home to Beluga Whales
- Navigate Canada's starkly beautiful Sam Ford Fjord, one of the most impressive concentrations of vertical rock walls to be found anywhere in the world
- Enjoy 1-2 landings per day on every expedition, regardless of itinerary, weather permitting

THE RUSSIAN FAR EAST

Discover the remote Far East

For a truly off-the-beaten-track travel destination, nothing beats expedition travel like a journey through the furthest east of Russia. A raw experience of adventure through jaw-dropping, beautiful landscapes, we'll visit remote shores and unique coastlines. This is a part of the world where survival is difficult, and few have persevered against the odds, including the magnificent wildlife that roams across this largely untouched part of the world. We'll visit ancient Soviet outposts and witness cultural paradoxes you never imagined possible, including people and towns hidden from view and from history itself.

EXCLUSIVE REFERRAL PROMOTION FOR OUR VENETIAN SOCIETY MEMBERS

Sail With Us. For you, for friends, for travellers.

\$500 SAVINGS PER SUITE FOR YOU

AFTER YOUR FRIEND BOOKS A NEW VOYAGE

\$500 SAVINGS PER SUITE FOR YOUR NEW TO SILVERSEA FRIEND

AFTER BOOKING A NEW VOYAGE

We invite you to refer a new-to-Silversea guest to our realm of indulgent exploration, with the Sail With Us referral exclusively to our loyal Venetian Society members.

For a limited time, when you refer a friend who has never sailed with Silversea, and they book a new voyage, you BOTH enjoy \$500 savings per suite. This, on top of our regular Venetian Society savings (exclusive to Venetian Society members) and current promotions, delivers an unrivaled value for our luxury cruise voyages. You can refer friends to Silversea until 31 May, 2022, you aren't required to sail with your friend, and you can apply Referral Savings up to \$2,000 to a booking of your choice.

In addition, if you refer a friend for the World Cruise you will both receive \$1,500 in Referral Savings, and if you refer a friend for the Grand Voyage, you will both receive \$1,000 in Referral Savings.

Referral Savings are combinable with Door-to-Door All-Inclusive and Port-to-Port All-Inclusive fares.

All of the above milestones include complimentary laundry service (excludes dry cleaning and "press only").

TERMS AND CONDITIONS

"Door-to-Door All-Inclusive Fares": All fares are available in USD/Euros, per guest, based on double-occupancy and include: "Air Programme", "Shore Excursions Programme", "Private Executive Transfers Service", the "Expedition Package" (on Expedition Cruises only) and the "Fare Guarantee" policy - for additional details visit www.silversea.com/terms-and-conditions for full terms and conditions. A Reduced Deposit (15%) will be applied to all voyages sailing within 31 March 2023, for bookings done within 6 Dec 2021 and 31 May 2022.

"Port-to-Port All-Inclusive Fares": "Port-to-Port" All-Inclusive fares are available on select cruises, in USD/Euros, per guest, based on double-occupancy and are available to new bookings done within 01 June 2022. "Port-to-Port" fares include: "Shore Excursions Programme" and the "Expedition Package" (on Expedition Cruises only) - for additional details visit www.silversea.com/terms-and-conditions for full terms and conditions.

Silversea's Included Shore Excursion Programme: On all Classic Cruises of Silver Muse, Silver Moon, Silver Dawn, Silver Spirit, Silver Whisper and Silver Shadow, selected shore excursions (one per guest/port/day), if available, will be offered on a complimentary basis. Including Shorex for below ships, from this sailing date: Shadow > 24-May-22; Whisper > 22-May-22; Spirit > 31-Mar-22; Muse > 19-May-22; Moon > 30-Mar-22; Dawn > 1-Apr-22. Shore excursions will be bookable at least 180 days prior to sailing, on "first-come-first-served" basis, although a pre-sale period will be dedicated to Venetian Society guests. Shore Excursions may require minimum participation levels to operate so it is recommended to sign up as early as possible. Silversea reserves the right to cancel any excursions including free shore excursions. No credit or other compensation will be given if free shore excursions are unavailable, cancelled or not utilized. No shore excursions will be offered at the disembarkation port/day. All shore excursions including those offered on a complimentary basis are operated by independent operators over whom Silversea has no control. Other restrictions may apply. For Expedition voyages, regardless the sailing date, shore activities are fully included as compulsory component of the product. For full details visit Silversea.com.

Silversea's "Included Private Executive Transfers Service": Silversea, in partnership with Blacklane will offer chauffeured transportation from the guests' home to their departure airport and return service (home) at the end of their vacation. Blacklane brings its high-quality airport

transfer experience to hundreds of thousands of premium clients each year. Silversea is committed to extending its premium quality and high service to guests' front doors as an essential part of the Silversea experience. Silversea's exclusive Private Executive Transfers service is available for reservation from 22 July, 2021 onwards, as a component of Silversea's Door-to-Door all-inclusive offer, on all cruises sailing from (here in detail by ship): Silver Shadow > 24-May-22; Silver Whisper 22-May-22; Silver Spirit > 31-Mar-22; Silver Muse > 19-May-22; Silver Moon > 30-Mar-22; Silver Dawn > 1-Apr-22; Silver Cloud > 1-Apr-22; Silver Wind > 4-Apr-22; Silver Explorer > 16-Apr-22; Silver Origin > 2-Apr-22. Standard cruises as well as "Special Combos", "Grand Voyages" and full World Cruises qualify for this inclusion, on Silversea's "Privilege Fares" (reduced rates do not qualify). These transportation services are not operated by Silversea. Guests choosing to accept this service must complete their booking and agree to the terms and conditions provided by Blacklane on www.blacklane.com or their mobile application. Silversea will cover the cost of a pre-determined distance (based on the cruise), up to 50 miles. Should the distance of the trip be longer than the covered mileage guests will be able to pay for the additional miles directly with Blacklane. Silversea is unable to quote the cost of the added mileage in advance as those vary. Guests must plan their pick up accordingly based on flight departure and arrival scheduled. Silversea will not be responsible for any delays, which could cause a guest to miss their flight and/or their cruise. Guests who are unable or choose not to utilize these services can request a non-use credit to their agent (100 USD per person).

VS Referral Promotion: Please refer to www.silversea.com/terms-and-conditions for full details.

Please refer to www.silversea.com/terms-and-conditions for full terms and conditions of all Air Programmes and offers.
