WHY US AND WHAT WE CAN OFFER

Cruise Norway, an expert on travel to the Polar regions and IVAT, an expert in educational travel programs have partnered with Silversea Cruises to bring you the best of polar experiences in a luxurious setting. Whether you venture to Svalbard near the North Pole, Greenland or even Antarctica, spacious ocean-view suites, gourmet dining, and an array of complimentary amenities presented in distinctive European style awaits you. For your exclusive group, we can arrange a highly customized experience with extraordinary flair and value.

Prince Albert II, a purpose-built expedition ship is unlike any other. Designed specifically for navigating waters in some of the world's most remote destinations, including both of earth's polar regions, the 6,072-ton vessel boasts a strengthened hull with a Lloyd's Register ice-class notation (1A) for passenger ships. With eight Zodiac boats, her 132 privileged guests can visit even the most off-the-beaten path locations. Venture deep into regions where other vessels cannot go whilst enjoying a privileged lifestyle that is simply second-to-none.

Onboard, savour a convivial cosmopolitan ambience and many special amenities usually found only on larger ships, including a spacious Library with an Internet Cafe, boutique shopping, a full-service spa, beauty salon, fitness centre, sauna, live evening entertainment and two top-deck whirlpools. The Prince Albert II even features The Humidor, where connoisseurs can enjoy the finest cigars and cognacs — a diversion offered by no other expedition ship. Plus, the public rooms and facilities are available to for presentations, cocktail parties, meetings, etc. Whatever your conference or meeting requirements are, we are pleased to provide a tailor-made experience.
